

ECR Ireland

Product Availability & Supply Chain

Award 2017

The award

The ECR Ireland Product Availability & Supply Chain Award promotes excellence in the grocery retail and consumer goods sector in Ireland for 2016 - 2017.

The award recognises achievement and encourages awareness & adoption of better practices in the industry.

This is the 3rd year of the Awards. The award is a prestigious accolade as voting is conducted by industry peers.

Why enter?

Win a prestigious industry award.

Illustrate your company's expertise and ability to deliver.

Encourage business development opportunities with trading partners by showcasing your company's credentials to collaborate.

Entries

Successful initiatives illustrating excellence in any of the following:

- Product availability / forecasting
- Sustainability
- Operational excellence / efficiency / replenishment
- Food waste management
- Supply chain collaboration
- People development

How to enter

Submit an entry up to 2,000 words plus pics/videos outlining participating companies, project objectives, methodology, implementation & results.

Include a "Top Tip" as a result of the initiative.

Entries are confidential & will not be displayed without permission.

All members of ECR can enter - Entry fee is €500 inc 2 presenters

ECR Ireland

Product Availability & Supply Chain

Award 2017

Judging

ECR Ireland will determine a shortlist of finalists.

Finalists will present their entry at the ECR Ireland Product Availability & Supply Chain Summit at Crowne Plaza Hotel, Blanch on October 16th.

Delegates will vote for the Award recipient.

The overall winner will be announced at the Summit and presented with the ECR Ireland Award 2017.
